NEW FACE SHIELD

# SR 570 FACE SHIELD

The SR 570 face shield is a modern, innovative product, designed and developed based on the needs and requirements from the market. The SR 570 is a robust shield with a flip-up visor, and gives the user comfortable and safe respiratory and eye protection. The face shield is fitted with an attachment for hearing protectors.

A wide range of accessories enable the user to customise the shield for their work situation. The shield is manufactured in a material that permits use in tough environments.

The SR 570 shield can be used with either our SR 500 or SR 700 powered fan unit. It can also be used with the compressed air attachment SR 507.
