

# RESPIRATORY PROTECTION WITH HEAT PROTECTION

SR 500 with SR 580 in the highest protection class TH3 with thermal protection is well suited for use in hot workplaces such as steel industry where metal splash and heat radiation and a combination of gases and particles can occur.

## SR 500 FAN UNIT / SR 580 HELMET

Package with fan unit SR 500 and protective helmet SR 580.

ITEM NO. H06-8112

### SR 587 / SR 580 SAFETY HELMET

Safety helmet SR 580 with a gold plated shield - suitable when work is performed in extreme heat.

ITEM NO. H06-8112

### HEAT PROTECTION / EARMUFF

Heat protection for helmet SR 580. Protect helmet and neck against radiation and metal splashes. Earmuffs can be used.

ITEM NO. T06-0804

### HOSE PROTECTION SR 59021

Hose protection against metal splashes.

ITEM NO. T06-4016

### HEAT PROTECTION / NECK & EARS

Heat protection for helmet SR 580. Protect helmet, neck, throat and ears against radiation and metal splashes.

ITEM NO. T06-0805

SR 510 PARTICLE FILTER P3  
ITEM NO. H02-7012

SR 518 GAS FILTER A2  
ITEM NO. H02-7012

SR 221 PRE FILTER  
ITEM NO. H02-0312

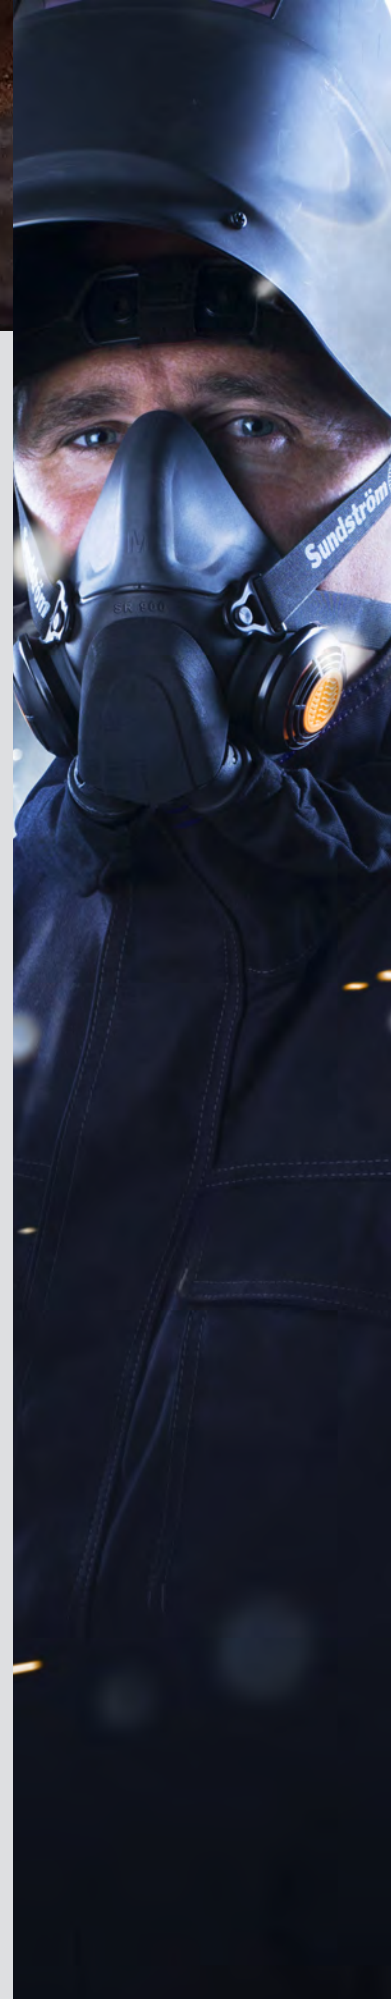

SR 336 STEEL NET DISC  
ITEM NO. T01-2001

# SR 900 SYSTEM WITH FAN UNIT SR 700

SR 900 with SR 700 in the highest protection class TM3 is suitable for use in environments where higher levels of particles can occur. Some examples are stone and concrete industry, foundries and construction work. Can be used with grinding or welding shield.

## SR 900 WITH SR 700 FAN UNIT

Particle filter fan unit for connection to SR 900 using single hose SR 951 or twin hose SR 952.

The high airflow improves the user's work conditions when carrying out heavy, hot and long-term work. Suitable for use with heavier workloads and greater exposure levels of particles.

SR 900 - S	ITEM NO. H06-8112
SR 900 - M	ITEM NO. H06-8112
SR 900 - L	ITEM NO. H06-8112
SR 700 FAN UNIT	ITEM NO. H06-7010

### SR 951 SINGLE HOSE

Single hose SR 951 very flexible and offer high durability.

ITEM NO. T01-3003

### SR 952 TWIN HOSE

Twin hose SR 952 are very flexible and offer high durability.

ITEM NO. R01-3009

### HOSE PROTECTION FOR SINGLE HOSE

Hose protection SR 59021 for SR 951 against metal splashes.

ITEM NO. T06-4016

### HOSE PROTECTION FOR TWIN HOSE

Hose protection for twin hose SR 952 against metal splashes. (Note, single pack).
