

Sustainability Goals 2021

Status Report Q3

We started 2021 by setting a strategy for the company's sustainability report. A report will be published in 2022.

Since March, you can read about our sustainability work on our website.

For 2021, we have chosen to focus on five sustainability goals. We have set goals for our focus areas; Staff & Health, Sustainable purchasing, Environmental impact and Social responsibility.

STAFF & HEALTH

GOAL: 100% of Sundström's employees shall undergo sustainability training.

SUSTAINABLE PURCHASING

GOAL: Do a review of a new code of conduct and associated routines.

ENVIRONMENTAL IMPACT

GOAL: Do a survey of Sundström's waste management.

SOCIAL RESPONSIBILITY

GOAL: Do a review of Sundström's sponsor policy.
