NEW FACE SHIELD

# SR 570 FACE SHIELD

The SR 570 face shield is a modern, innovative product, designed and developed based on the needs and requirements from our customers. The SR 570 is a robust shield with a flip-up visor, and gives the user comfortable and safe respiratory and eye protection. The face shield is fitted with an attachment for hearing protectors.

A wide range of accessories enable the user to customize the shield for various work situations and is designed to withstand the toughest work environments.

The SR 570 shield is meant to be used with our SR 500 powered fan unit.
